

Frequently Asked Questions

About the Application:

How do I access the online application for the *WE BELIEVE in Education* scholarship?

You can access the online application by visiting The Pulse or clicking the link provided here: [Apply for the We Believe in Education Scholarship](#).

What is the deadline to apply?

Applications for the *WE BELIEVE in Education* scholarship are due **by 11:59 p.m. EST on Monday, April 30, 2023**. Applications cannot be accepted after this deadline.

Why do I have to create an account to apply for a scholarship?

AngioDynamics and our charitable partner, the Community Foundation for the Greater Capital Region (CFGCR), will use your account to discuss your application status.

Do I have to complete my application all at once?

No. Applications can be saved and accessed at any time before submission, up until the application deadline. After starting your application, you will receive a system-generated email with a link to access your saved application. We strongly encourage bookmarking the link to your saved application.

Do I need to share my Free Application for Federal Student Aid, or FAFSA[®], information?

Yes, the *WE BELIEVE in Education* scholarship committee will use the Expected Family Contribution (EFC) information from your FAFSA form to provide a more complete picture of each applicant to determine each applicant's need.

How will scholarship funds be distributed to recipients?

Scholarship funds will be paid either directly to recipients' schools; or given to recipients as checks made payable to their schools, which can then be deposited into student accounts. IRS regulations prohibit direct payment of funds to recipients.

How to Apply:

What materials will I need to complete my application?

To submit a completed application, you will need to provide your FAFSA form, an official or unofficial transcript, and at least one letter of recommendation. Applications cannot be submitted without all required materials and information.

How do I submit a letter of recommendation?

Letters of recommendation must be uploaded by the recommender directly into the online application system. Applicants may not upload their own letter(s) of recommendation. Applicants will provide the email address of the recommender as part of the application process. Your recommender will receive a system-generated email with a link to upload the letter of recommendation.

PLEASE NOTE: *AngioDynamics and CFGCR strongly encourage applicants to submit their recommender's email address at least 3 business days before the application deadline so the recommender has enough time to upload the recommendation.*

How are the applications reviewed?

Applications will be reviewed by an independent volunteer committee that uses a rating form and discussion to evaluate each candidate. Based on the eligibility criteria described on the application form, a scoring rubric is developed. This committee will use this scoring rubric to guide their discussion and reach a consensus to select scholarship recipients.

PLEASE NOTE: *The We Believe in Education scholarship committee does not include AngioDynamics employees, and AngioDynamics employees will not be involved with selecting scholarship recipients. If a scholarship committee member has a personal relationship with an applicant or his/her/their family, that committee member must recuse him/her/themself from evaluating or commenting on that candidate.*

Your Privacy:

Will AngioDynamics or CFGCR use or sell my personal information?

No. AngioDynamics and CFGCR use the information provided in the application to review scholarship eligibility and to communicate with applicants about application status. If selected for a scholarship award, the information provided will be used to process scholarship payments.

Will my personal or application information be shared with AngioDynamics or its employees?

Your name, the name of your parent/guardian employed by AngioDynamics and contact information will only be shared with AngioDynamics if you are selected for an award. No other personal information will be shared with AngioDynamics or its employees without your written or electronic consent in advance.
